Gathering of the leading Canada & New England Venture Capitalists and Angels

2nd Canada-US Venture Forum
March 27-28th 2013

Investment Partners

Welcome!

Welcome to this 2nd gathering of the leading Venture Capital and Angel Investors from Canada and New England at the Marlowe Hotel in the wonderful city of Cambridge, nearby the new Canadian Technology Accelerator on Kendall Square.

In the last two years Canadian Venture Capital investments have significantly increased in terms of quantity and quality. We are proud to see that this growth in angel and institutional investments has ranked our entrepreneurs in the best position for success.

This represents a unique opportunity for New England and Canadian investors to team up and get best-of-class returns on their investments by combining their expertise and investment pipeline.

I hope you will have a great Forum and many partnerships for success.
